We wish all the best for the old Committee Members and thank them for their long commitment in Short track in Luxembourg.

The new Committee will be introducing some new things.

The major news is that we start this Sunday with **COVIDCHECK** at the ice rink which means that all with a 3G certificate can see their skaters on action in the ice rink. Secondly we start to issue again the **SHORT TRACK NEWSLETTER** as often as we have something to inform. And we have a new Email address which we ask you to note: ulpv@shorttrack.lu

As you might already know all informations about races you will find in www.shorttrackonline.info

Next competitions we have skaters are

40th Easter Cup in Gent, 16 – 17.4.2022
